EXTERNAL

PREMIUM SHED PA DOORS

Made with high-quality steel and designed to last, Connect Precision's shed doors provide easy access while keeping your belongings secure.

Our doors are crafted with precision and attention to detail, with a colour matched external COLORBOND skin ensuring a flawless finish and a perfect fit. Whether you're looking for a door to add to your new shed, or you need to replace an old or damaged door, our shed doors have you covered.

INDUSTRIAL PA DOORS

Built for Industrial and Commercial applications

The ultimate solution for your insulated personal access door needs.

These doors are constructed with the same high-quality steel as our premium PA doors, but with the added benefit of insulation and double-sided COLORBOND skins for increased energy efficiency and protection.

35mm PIR fire retardant insulation
